

# THE BUSINESS GUILD

## ***Are you ready for some networking?***

Thanks to everyone for coming to the February meeting of the Manchester-Area Business Owners' Networking Group at Unity Cafe last month.

I know how hard it can be to sneak out in the middle of the day, but I hope you will be able to take a break and join me on Tuesday, March 7th from 10:00 AM - 11:00 AM for this month's Manchester Area Small Business Owners' Coffee Networking.

It was incredible to meet so many new people who were excited to network in person at our last meetup.

We all had a chance to get to know each other and learn what each of us brings to the table.

With that in mind, the topic for the next meeting will be **How to network post-COVID.**

I have my two top tips, but I'm interested to hear how you are managing to coax people into meeting 1-on-1 or in groups.

## Agenda: Tuesday, March 7, 2023

**10:00 AM – 10:15 AM:** Welcome and introduction to this month's topic – How to network post-COVID

**10:15 AM – 10:45 AM:** Moderated discussion about how to entice people into social activities and the pros & cons of in-person and virtual networking

**10:45 AM – 11:00 AM:** Open networking and help requests for the group. This is when people can ask the group to help with a specific business challenge. If it is a popular subject, we can assign it as the topic for the April meeting.

Please be sure to [RSVP via Eventbrite](#) if you plan to attend the March meeting.

It was great meeting you.

Before I forget, don't forget to grab your FREE copy of [spring issue of Flackery magazine](#). The theme for this issue is 'Make it Happen', and we have several fantastic articles about how to find time and get things done.

As always, if you would like to chat, you can reach me at [pat@thebizguild.com](mailto:pat@thebizguild.com) or schedule a coffee meeting through [Calendly](#).

See you next week!
